Founded in 2019, Jasys Technologies has rapidly emerged as a reliable name in packaging and material handling solutions. With state-of-the-art facilities and a dedicated workforce, we manufacture PP Corrugated Bins & Boxes, HDPE Crates, MS/SS Trolleys, and Paper Corrugated Boxes for diverse industrial needs.

Our two modern units, spread across 1800 sq. meters, are equipped with advanced machinery for fabrication, welding, cutting, and assembly. Backed by a skilled team of 65 professionals, we ensure every product meets global quality standards with durability and efficiency at its core.

From automotive OEMs to industrial suppliers, Jasys Technologies has built strong partnerships by delivering customized, cost-effective, and long-lasting solutions. We take pride in being a one-stop destination for storage, handling, and packaging innovations.

Mission

To deliver innovative, durable, and eco-friendly packaging solutions that optimize industrial operations and add value to our customers' supply chains.

Vision

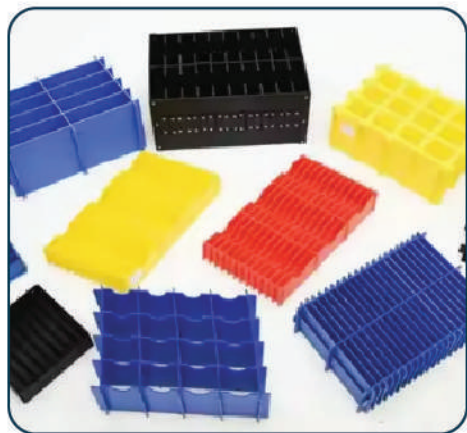

To be recognized as a leading manufacturer in packaging and material handling solutions, driven by quality, innovation, and customer trust.

WHY CHOOSE US?

- **Custom-Built Solutions** tailored for automotive & industrial needs
- **In-House Manufacturing** with modern machines & skilled manpower
- **Strong Track Record** of reliability & timely delivery
- **Wide Product Range** from bins to trolleys to corrugated boxes
- **Trusted by Industry Leaders** across multiple sectors

➤ PP PRODUCTS

- PP Foldable Boxes
- Customized Foldable & Stackable Plastic Storage Bins
- Corrugated Warehouse Picking Boxes
- A3 / A4 Custom Size PP Archive & Document Storage Boxes
- PP Inserts
- PP Bins
- ESD PP Bins

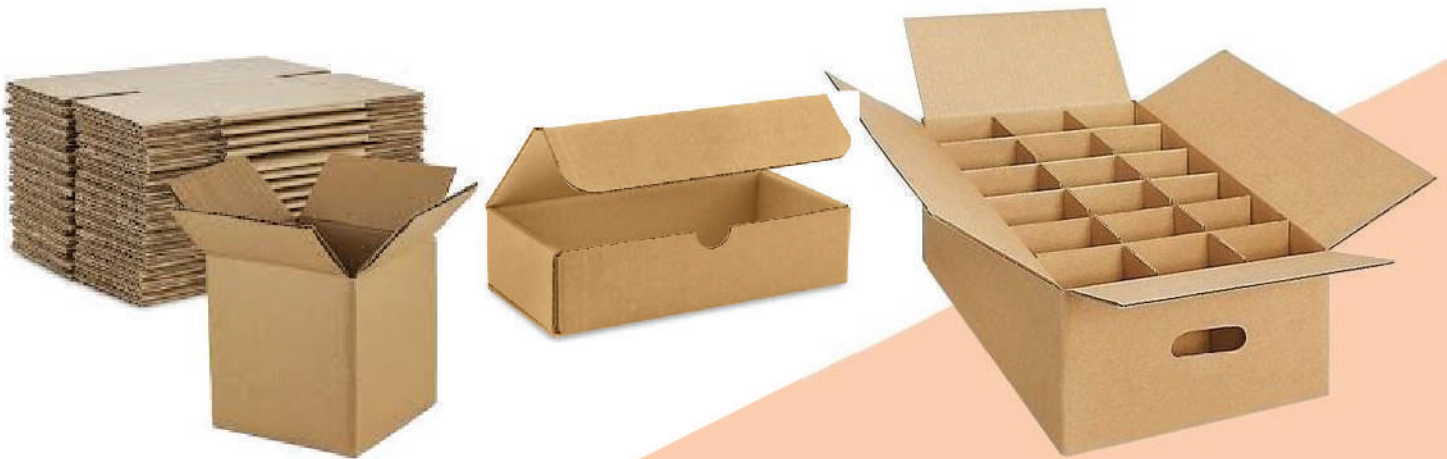

➤ HD CRATES SERIES

- Complete Range (300×200 to 650×450 mm)
- HD Crates - All Type Fabrication
- Fruit & Vegetables Series
- Different Types of Waste Bins

➤ PAPER CORRUGATED BOXES

➤ FABRIC BAGS

➤ MATERIAL HANDLING SOLUTIONS

Different Types of Trolley Manufacturing for Automotive & Other Customers

MS/SS Fabrication Facilities

Machine / Tool	Qty.	Make / Details
MIG Welding Machine	5	Panasonic / ESAB
ARC Welding Machine (400Amp)	5	Harnek
Stand Drill Machine (3-20mm)	2	Sandhu
Surface Grinder	1	Local
Chop Saw (14" Pipe Cutter)	5	Dewalt
Hand Shearing Machine	2	Harnek (0.5-6mm)
Lathe Machine	1	-
Milling Machine	1	-
Angle Grinder	12	-
Drill Machine	2	-
Air Compressor	1	ELGI (3 HP)

PP Bin & Foldable Box Facilities

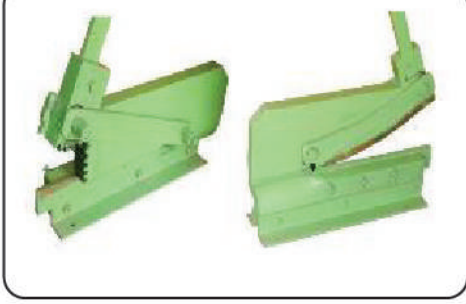

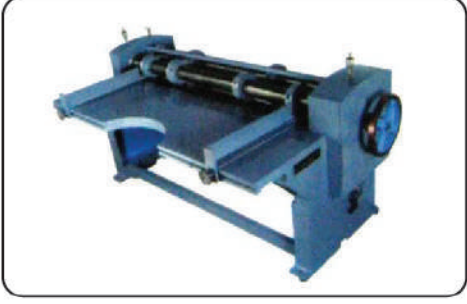

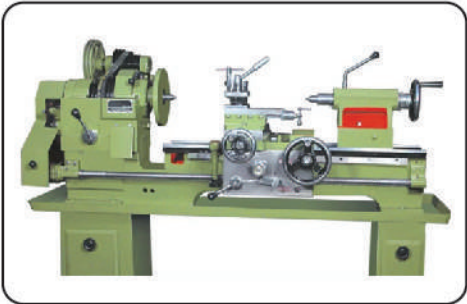

Machine / Tool	Qty.
Ultrasonic Welding Machine	2
Rotary Cutting & Creasing Machine	1
Semi-Auto Riveting Machine	2
Board Cutter	1
Air Compressor (10 HP)	1

HD Crates Fabrication Facilities

Machine / Tool	Qty.
Leister Heat Gun Welding Machine	2
CNC Router Cutting Machine	1
Table Saw Cutter	1
Air Compressor (10 HP)	1

Paper Corrugated Box Facilities

Machine / Tool	Qty.
Corrugation Machine (Automatic 5-layer)	1
Sheeter Machine	1
Stitching Machine (Carton Stitcher)	1
RS4 Printing Machine with Slotter (2-Color)	1
Slot Cutting Machine	1
Die Cutting Machine	1

**Together with our clients,
we build solutions that last.**
